9/11 Truth QUIZ – What You Need to Know About What Really Happened on September 11, 2001

1.	Did you know that a third World Trade Center high-rise building also fell on September 11th? WTC Building 7 was a 47-storey, steel-framed skyscraper located a full block away from the Twin Towers and it was not even hit by any plane. Nonetheless, it fell at near free-fall speed straight down into its own footprint at 5:20 p.m. that afternoon.	YES	NO
2.	Did you know that the owner of Building 7 Larry Silverstein, said “We’ve had such a terrible loss of life that maybe the smartest thing to do is pull it [Building 7] and they made that decision – to pull – and then we watched the building collapse” and yet <i>The 9/11 Commission Report</i> never mentioned a thing about Building 7? [N.B. ‘Pull’ is an industry term for using controlled demolition.]	YES	NO
3.	Did you know that ‘Lucky’ Larry Silverstein was awarded 4.68 billion dollars in insurance claims for the Twin Towers which he had just leased six weeks before 9/11 from the Port Authority of New York who declined to spend the multi million dollars required to remove the asbestos and bring the Towers up to code required by law?	YES	NO
4.	Did you know that fire has never caused any steel-frame building to collapse in the history of architecture, except on 9/11 when 3 skyscrapers fell at near free-fall speeds despite the fact that there were 47 massive steel columns in the core of each of the Twin Towers and 25 in WTC7?	YES	NO
5.	Did you know that most of the WTC steel was quickly shipped overseas – before any independent investigation – and melted down? (This is unprecedented and contrary to federal crime scene laws.)	YES	NO
6.	Did you know that fighter jets routinely are scrambled the minute any airplane loses contact with the FAA or deviates from its flight path and this, on average, takes 20 minutes?	YES	NO
7.	Did you know that in the nine months preceding 9/11 there were 67 jet fighter scrambles of wayward airplanes and that on average 100 intercepts occurred each year prior to 9/11?	YES	NO
8.	Did you know that the Secret Service broke established protocols by allowing President Bush to remain in a well-publicized classroom photo-op for at least 8 minutes after it was revealed to him that “America was under attack” when Andy Card informed him that the second plane had hit the second tower?	YES	NO
9.	Did you know that the SEC (Securities Exchange Commission) has never revealed the unidentified traders who made millions of dollars in profits by short-selling the stocks of American and United airlines that were impacted by the attacks?	YES	NO
10.	Did you know that there were countless warnings of “impending terrorist attacks” from at least 11 countries prior to 9/11 and that the threat level for such an attack was ‘blinking red’ according to George Tenet, Director of the CIA?	YES	NO
11.	Did you know that Attorney General John Ashcroft, San Francisco Mayor Willie Brown, author Salmon Rushdie and (according to <i>Newsweek</i>) a group of high-ranking generals at the Pentagon were warned not to fly on 9/11 but would not reveal who told them?	YES	NO
12.	Did you know that in September of 2000 a group known as The Project for A New American Century (PNAC), many of whom would become key officials in the Bush administration, wrote that their proposed massive military buildup would proceed slowly “absent some catastrophic and catalyzing event – like a new Pearl Harbor”?	YES	NO
13.	Did you know that at least 6 of the alleged 9/11 hijackers were reported to be still alive according to BBC and UK print media reports in the weeks following 9/11?	YES	NO
14.	Did you know that the FBI has said that there is no evidence to link Osama bin Laden to 9/11 and that Osama is not wanted for the crime of 9/11 on the FBI’s <i>Ten Most Wanted Fugitives</i> list? [See details in Issue # 12, p. 124 or at www.FBI.gov/]	YES	NO

15.	<i>Did you know that</i> Bruce Lawrence, the leading scholar of Osama bin Laden stated that the December 2001 confession tape, which the Bush White House flaunts as evidence, is fake?	YES	NO
16.	<i>Did you know that</i> Colin Powell promised a White Paper proving that Osama bin Laden and al Qaeda were responsible for 9/11 back in 2001 – but never produced that White Paper?	YES	NO
17.	<i>Did you know that</i> the Bush administration resisted the formation of the 9/11 Commission for 441 days? Or that similar investigations, such as those for Pearl Harbor, the JFK assassination and the space shuttle disasters, all started within one week?	YES	NO
18.	<i>Did you know that</i> “The Jersey Girls” – four courageous 9/11 widows – finally forced the 9/11 Commission into existence and presented many questions the Commission said they’d answer, 70% of which were ignored? And that under the leadership of Bush administration insider, Philip Zelikow, the final report failed to address any evidence which contradicted the official story?	YES	NO
19.	<i>Did you know that</i> no official agency (the FAA, FBI or the airlines) has ever released a list of the 9/11 passengers which includes the names of the hijackers, but within hours of the attacks, the FBI released a definitive list of the 19 so-called hijackers?	YES	NO
20.	<i>Did you know that</i> multiple air defense drills (war games) were planned for (or were underway during) the morning of 9/11 and that these exercises left only a few pairs of fighter jets available to protect the entire North East Air Defense Sector of the United States leaving Washington and NYC vulnerable to an attack?	YES	NO
21.	<i>Did you know that</i> there was no visible airplane debris where Flight 93 supposedly crashed near Shanksville, PA – only a smoking hole in the ground, much like a bomb crater, with a pile of scrap metal dumped into it, but that there was debris from the aircraft found 8 miles away at New Baltimore? And that Shanksville Mayor Ernie Stull said three times in an interview with Gerhard Wisnewski for a 2003 German documentary that there was “no airplane”?	YES	NO
22.	<i>Did you know that</i> office furniture burns at low temperatures of 600 to 800°F, and that jet fuel, an ordinary hydrocarbon has a maximum burning temperature of 1200°F, but that steel melts at 2750°F?	YES	NO
23.	<i>Did you know that</i> tests have shown that cellphone calls cannot be made at altitudes over 8,000 feet for any meaningful duration and, that more significantly, United Airlines Flight 93 was proven to be flying at 35,000 to 40,000 feet high when many of the supposed calls were made?	YES	NO
24.	<i>Did you know that</i> a bomb reportedly went off in the North Tower in the basement a few seconds before the first plane hit according to Willie Rodriguez, a janitor who became known as <i>the last man out</i> and was awarded a medal by President Bush for his bravery in rescuing dozens of people from the North Tower before it collapsed?	YES	NO
25.	<i>Did you know that</i> Hani Hanjour was known as an incompetent pilot to his trainers and yet he pulled off an unprecedented 270° – 330° turn at 500 – 530 mph, diving 7,000 ft. in 2.5 – 3 minutes, crashing Flight 77 into the least populated, most reinforced section of the Pentagon?	YES	NO
26.	<i>Did you know that</i> the mainstream media in the US is owned and controlled by six major corporate conglomerates (see p. 2.) and that there has been very limited and sporadic coverage of alternative views about 9/11? Any time they are raised, the MSM accuses the questioner of being a ‘conspiracy theorist’ or even a ‘traitor’ (as you will see in the following set of 46 articles).	YES	NO
